Information Sheet

NORTHERN DISTRICTS LAPIDARY CLUB INC. have their club rooms and a well equipped workshop located in the Beecroft Community Centre. The Centre is on the corner of Beecroft and Copeland Roads, Beecroft. The entrance to our Club is on the railway (east) side of the building.

We generally meet on the second Tuesday or Saturday of each month (except January). See our website www.ndlapidary.org.au for details of our next meeting. We are always pleased to welcome visitors. We normally finish the meeting with a light supper.

Our Club is run by its Members who freely give a lot of their time so that we can operate effectively and economically. Without that input, we could not maintain our low fee system for classes. The Club is not a commercial body and Members are not permitted to use its facilities or equipment for personal gain or profit. Social events and fossicking trips are an important part of our Club's activities.
